DONE ✓

As a user i want to see detail list of taxis

Attach | Add a child issue | Link issue | ⌄ | ⋯

Description

In this test case, we go through certain steps and get to the taxis list.

Acceptance Criteria:

1. Car photo
2. Type of car
3. Class of car
4. Ride time
5. Cost of ride
6. Driver rating
7. Number of passengers
8. Allowed amount of luggage
9. Additional services as: Meet & Greet
10. Additional services as: COVID-19 Prepared
11. Additional services as: Baby seats

Pre Conditions

On the taxi search page, enter the information: pick up, drop off, pickup date, pickup time, number of travelers.

Created 21 hours ago
Updated 2 minutes ago

⚙ Configure

Steps

1. Open https://www.agoda.com/uk-ua/

2. Click on "Taxi from the airport"

3. Enter information about pick up > drop off > pickup date > pickup time > number of travelers

4. Click on the search button

Expected Result

When the user enters all the necessary information and clicks the search button, a list of taxis will then open.

Post Conditions

None

User cannot click on the "Book Ride" button on "Private Bus" taxis types.

Attach   Add a child issue   Link issue

Description

Add a description...

Severity	Critical
Priority	Highest
Type	Functional

Environment

Windows 10.

Chrome Version 113.0.5672.127

Steps to Reproduce

1. Open https://www.agoda.com/uk-ua/

2. Click on "Taxi from the airport"

3. Enter information about pick up > drop off > pickup date > pickup time > number of travelers

4. Click on the search button

5. Scroll down to type "Private Bus"

6. Click on "Book Ride"

Actual result

When the user gets to the list of cars from the taxis and scrolls down to the "Private Bus" type and clicks on the "Book Ride" button, nothing happens.

Expected result

When the user gets to the "Private Bus" type and clicks on the "Book Ride" button, he should be taken to a page with detailed information about the car.

The "Activate Coupon" button is not active on the detailed information page for a particular vehicle when you enter a coupon.

Attach   Add a child issue   Link issue

Description

Add a description...

Severity	Critical
Priority	Highest
Type	Functional

Environment

Windows 10.

Chrome Version 113.0.5672.127

Steps to Reproduce

1. Open https://www.agoda.com/uk-ua/

2. Click on "Taxi from the airport"

3. Enter information about pick up > drop off > pickup date > pickup time > number of travelers

4. Click on the search button

5. Click on "Book Ride"

6. Scroll down to "Secure payment"

7. Enter coupon > Try click on activate coupon button

Actual result

The "Activate Coupon" button remains inactive when you enter a coupon on the detailed machine information page.

Expected result

When the user enters a coupon, the "Activate Coupon" button should become active and can be clicked on.
